PETITION TO REVIVE – UNINTENTIONAL ABANDONMENT

Commissioner for Patents
BOX NON-FEE AMENDMENT
Washington, D.C. 20231

Sir:

Applicants respectfully request that this application be revived pursuant to 37 C.F.R. § 1.137(b) as the abandonment was unintentional.

The undersigned attorney had understood the Interview Summary Sheet of June 16, 2000 as not requiring a response to be made and instead believed that the changes in the claims would be implemented by an Examiner's Amendment. It was not until December 2000 or January 2001 that the Examiner, by telephone, called to the attention of the undersigned attorney the fact that a written response was necessary.

There never was any intention to have this application become abandoned. A responsive Amendment is attached to this Petition to Revive.

For all the foregoing reasons it is respectfully requested that this Petition to Revive be granted.

The PTO is authorized to debit Account No. 03-0075 of the undersigned attorney in an amount covering the PTO fee (small entity) for this Petition to Revive. (\$620.00)

Respectfully submitted,
